How could the ESU website be a better resource for you?

1. Art programs /teaching strategies
2. I just need to take the time to look.
3. I am not savy with the computer at all, sorry
4. I can't think of anything.
5. It's great now.
6. Schedule our service /traing programs for the afternoon & evening so that we do need a sub for the entire day.

7. Doing great
8. I'm not sure I mainly stick to the email.
9. I think the website is very well done and has all of the info I might need on it, even if I haven't used it yet.
10. slow email
11. Offer more college credit classes in the summer
12. access to websites like ED helper and WebQuests w/o individuals having to pay for them.
13. I think it is a good resource.
14. I guess I need to spend more time browsing the site so I know more of what it offers
15. I am very pleased with the service we are receiving this year.
16. it works good
17. I have found the ESU website to be an excellent source for my needs.
18. Guess I don't really take time to realize there is that much info on the esu website.
19. DK
20. coop site needs to show more results per page
21. I use dial-up at home and really have a hard time using the site--it is extremely slow. I don't know if there is anything I can do on my end to improve this. It was fine before the new site. If it was faster, I would use it more at home.
22. Have events in by date, delete the old ones
23. Already does a pretty good job.
24. ????
25. To be honest I really don't know that it can.
26. Grant Page, or ways to enhance your classroom
27. It is already a great resource.
28. The website is fine, I just didn't have a reason to use it most of the time.
29. More teacher links
30. I didn't get a chance to go to any new technology workshops this year. I would have liked to attend something new.
31. link to catalogue for orders could be more prominent, email search could be easier to use: if you just know name and school you don't always get the email address you need without going to the "school" page and searching there.

1. paper copy of catalog is more useful for me
2. don't use
3. none
4. Just wish the teachers had more classtime to utilize DVD's from there
5. I don't use it a lot. But would be very lost not being able to get the things I do.
6. Micheal is wonderful. We can just give him topics, and he will 1 what we need.
7. I am very excited about the visual thesaurus acquisition.
8. rarely use it
9. Sometimes things are not showing up on my computer that are actually available
10. I would like it better if it could be to all of the rural school without having to be through Pat S.
11. I think that the ESU Media services is very good, but, in my present position, I don't use it extensively.
12. I really like the Media Catalog availability however when I download some clips, I've found that not all will down load
13. Always provide more than enough materials.
14. None
15. Enjoy the classes offered
16. They have been extremely helpful with any requests I have ever made.
17. So much stuff out there!
18. The online media catalog is often offline. The references for searches need to be updated and cross referenced better.
19. Could there be a brief overview/reminder of available services at fall inservice?
20. i use many of the current products available through the Media Catalog.
21. I utilize the Media Service every other week. It is extremely important to me. I use the videos as a supplemental source and the students enjoy them. The videos may "touch" on something that is not in the text book, which gives them more knowledge about the topic being taught.
22. N/A
23. No comment
24. It is much easier for me to search the catalog, 1 what I need and have it delivered in DVD or VHS format than it would be for me to acces something online.
25. would be great if some of the History Channel shows and Discovery ch shows could be available....they are more current and easier on the eye!
26. Look for newer video tape like the history channel
27. I looked for media materials, but I never ordered anything.
28. Although I know what is available, I rarely use it. I tend to use my own resources or online sources.
29. Michael is great when it comes to delivering items to us. Also like the availability and flexibility in the process.

Total Respondents 18

1. Our speech specialist is just gone often due to illness or bad weather or whatever. Students don't get consistent service it seems.
2. They do a great job
3. We need more help with behaviorial management goals and plans
4. I think Kim Buckendahl has been a fabulous addition to the staff. I see her interaction with students as professional, and yet engaging-they are excited to work with her.
5. The RTi plan is presently being written for K-6. I'm not sure everyone understand, how that placement works.
6. I do not believe that the staff is ALWAYS professional in their manner, especially with district staff. They forget confidentiality laws on ocassion.
7. Sometimes you cannot get a hold of Scott.
8. We just use ESU personnell for advising and admin. questions. These questions were difficult to answer under these circumstances.
9. I think that more comprehensive testing could be done to see if a student might qualify for services when they have been repeatedly referred and have been close to qualifying each time
10. They are excellent and help the classroom teachers!!!
11. We have no ESU special education staff in our building.
12. I think you get a better response when qualiprofessionals
13. Some yes-- and some no
14. I have recieved help as a new Sped teacher this year.
15. Sometimes, as the classroom teacher, I wasn't sure what the direction was with the special education children in my room. I wanted to be more help, but wasn't sure what or how I was supposed to do that.
16. none
17. Our consultant staff are excellent, but our resource provider is not as professional as she could/should be with staff, students and families
18. My contact with outside special ed personnel is limited to Cristen Sadi most of the time. She does a great job and is very professional

Total Respondents 27

1. I think it is great, I just need to utilize it more.
2. I come away from staff development workshops with ideas to use and issues to ponder
3. I don't believe that the ESU needs to provide a lot of staff development. Schools have limited time available and need to use that time very wisely.
4. a way to work more directly with staff instead of using the administration as your primary source of program development.
5. But how could they....they have limited resources
6. They have very good resources and trainings
7. Choices have been good - Timing for Ruby Paine bad
8. I believe that the ESU staff strives to meet the needs of the schools it serves.
9. I appreciate having the opportunity for local training and college credit (APL)

10. Pleased with their willingness to work closely with the schools.
11. I would like to see more graduage hour opportunities.
12. Quite varied, helpful, and within reach.
13. When I receive these services they are great. It is hard to have the time to get them.
14. Provide training for Mobi Interwrite System
15. Always great
16. None
17. I appreciate the helpfulness and curent topics. The staff tries to address our needs in a timely fashion. We also like it when staff comes to Cody-Kilgore to work specifically with us when appropriate.
18. ESU 17 is always open to suggestions and try to meet the needs of the unit
19. The workshops are great, but I hate always getting a sub, missing a full day of school, traveling to Aisworth. I would like to see some evening/weekend workshops so that I don't have to miss school to attend.
20. The services are very good and cover a vast number of areas.
21. It's nice to have staff development so close.
22. There are a variety of options offered throughout the year.

1. I have had problems with the quality of the Esu Coop materials I have ordered. They are not highest quality and I end up using twice as much. The breakage is big.
2. I have other sources mailed directly to me and I must run down the ESU Coop catalog.
3. some of the materials are cheaply made and of poor quality
4. limited selection
5. My program needs require more specific catalogs
6. For the IT area there are better sources for shop tool with better pricing.
7. Most of these items are ordered by the office personel
8. often times their products are not quality products
9. I order many science supplies and some are not located in COOP
10. Limited choice, no pictures. The glossy catalogs from other companies are easier to research.
11. The quality of the products are not as good as from other companies.
12. Not always available at time
13. N/A
14. The catalog is not readily available
15. There is not a lot of things dealing with music education.
16. Some purchases have not been good quality and have had to return.
17. Don't care for the lesser quality products.
18. lack of options in my subject area
19. Our budgets are due early and the catalog is often not available
20. NA
21. Sometimes we need to purchase prior to the Coop program being available
22. Very Limited selection
23. I use other company catalogs and compare to what is in the COOP catalog.
24. I go here last because I know what you offer.

Please comment on other ways in which ESU #17 can better serve your school district's purchasing needs.

1. Text
2. It works well.
3. Budget cuts require saving in every possible way. The better deal you can get us will be helpful.
4. na
5. N/A
6. IDK
7. Make the catalog easier to browse. Ten items at a time takes too long to browse the catalog.
8. Let everyone know that there are pictures of most of the catalog items on the website. We just accidentally figured that out this year after the orders were due.
9. Could the catalog be made available earlier?
10. wider variety of products
11. I think the catalogue page is hard to use because it will only show about ten items at a time and If I am searching and don't have a specific number or name I can't ANYTHING. IT's very FRUSTRATING!
